PATIENT CONSENT TO TREAT

I hereby give my consent to AlphaHealth Licensed Healthcare Providers and authorize her/him to provide my medical treatment. I understand that AlphaHealth Licensed Healthcare Providers will explain my condition(s), foreseeable risks, and methods of treatment for my condition before treatment is provided. I authorize AlphaHealth Licensed Healthcare Providers to perform any additional or different treatment that is thought necessary if, in an emergency, a condition is discovered that was not known previously.

I have carefully read and I fully understand this Patient Consent to Treat form and have had the opportunity to discuss my condition and the above procedure(s) with the care provider. All my questions have been adequately answered.

Telemedicine Consent Form

Introduction

Telemedicine involves the use of electronic communication to enable healthcare providers at different locations. This information may be diagnosis, therapy, follow-up and/or education and may include any of the following

- Patient Medical Records
- Medical Images
- Live two-way audio & video

Electronic system used will incorporate network and software security protocols to protect the confidentiality of patient identification and imaging data will include measures to safeguard the data and to ensure its integrity against intentional or unintentional corruption.

Expected Benefits

- Improve access to medical care by enabling a patient to remain in his/her home
- Obtaining expertise of a distant doctor

I certify that this form has been fully explained to me. I have read it or had it read to me. I understand and agree to its contents. I am consenting to participating in the telemedicine examination. I authorize AlphaHealth Medical Associates doctors, nurses, and or other providers involved to perform procedures that may be necessary for my current medical condition.
